

Accessing AHIP & Transferring Scores

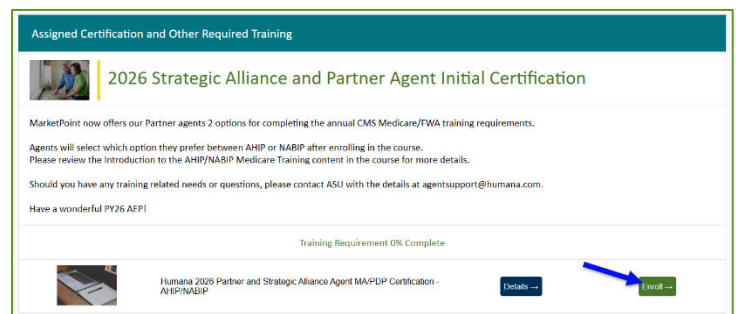

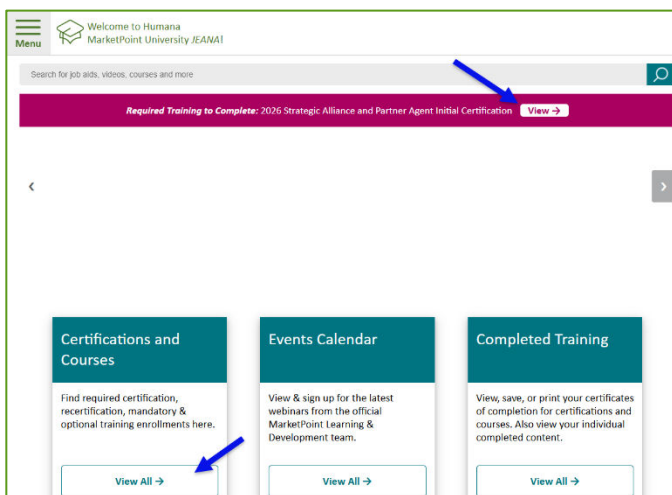

PURPOSE: This job aid will assist agents with accessing AHIP from Humana MarketPoint University (HMU) and transferring their AHIP scores to the Humana Certification or Recertification course enrollment.

How to Access AHIP and Transfer Your AHIP Score to Humana

To transfer an AHIP score you **must** be enrolled in a Humana Certification or Recertification course located on Humana MarketPoint University. You can access Humana MarketPoint University from the **Humana Vantage Agent Portal**. The option to transfer the score will not appear until you reach the AHIP Training section.

Once logged in on Humana MarketPoint University, you will access your assigned Certification or Recertification training through the top homepage alert. You can also navigate to this by selecting View All under the Certifications & Courses section. Once on the Assigned Training section, you will **Enroll** (or **Launch**) to open the course and access the training content in the course outline.

Accessing AHIP and Transferring AHIP Scores

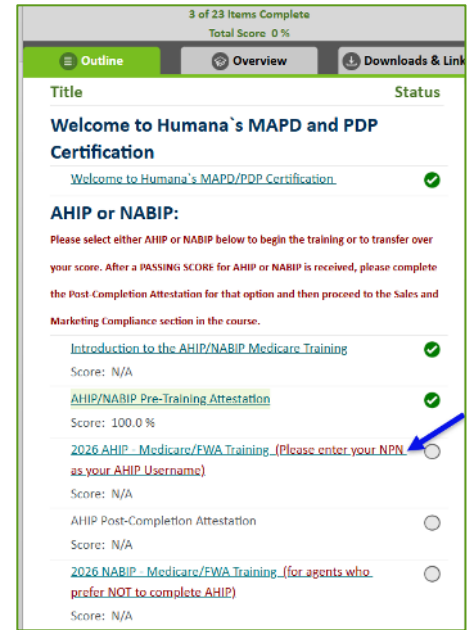

Work through the first few modules in the outline. Upon completing the AHIP/NABIP Pre-Training Attestation, both of those options will become active in the outline.

Click on the “AHIP-Medicare/FWA Training” link; a new window will display.

Before clicking the AHIP link, make sure you are logged out of AHIP and that pop-up blockers are turned off.

First-time AHIP User: You will need to complete the registration process, which requires you to enter your National Producer Number (NPN).

You only need to register once.
If you leave and come back, just enter your NPN and AHIP password.

Important Reminder:

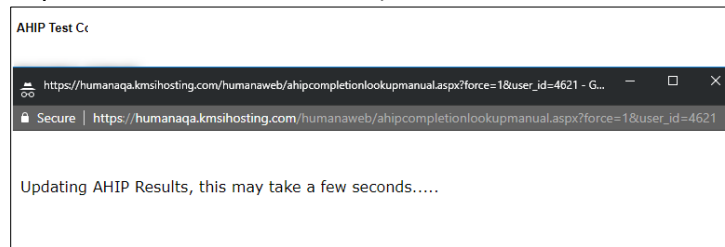

When logging in to AHIP from the Humana course outline **you must use your NPN as the Username**. The system will prompt you to enter either your email, or NPN. Humana's connection to AHIP is tied to an agent's **NPN**. Entering the NPN ensures the agent's AHIP score is transferred over to Humana without issue.

The form is titled "User Login" and contains the following elements:

- Username (NPN or Email) field with a placeholder "Enter NPN here."
- Password field.
- Login button.
- Links for "Forgot your username?" and "Forgot your password?"

Looking for AHIP Scores

Once signed into AHIP, the system will look to see if the current plan year course has been completed successfully within six attempts (even if completed outside of Humana).

If AHIP has already been successfully completed, the test score will *automatically transfer* over to the course enrollment on HMU and the following message will be received.

Accessing AHIP and Transferring AHIP Scores

When you return to the course outline on HMU, your AHIP score will be displayed, and the next course content item will be active for you to continue with the training (you may need to refresh the screen).

You MUST attest to completing the AHIP Training on your own without any assistance before you may proceed with completing the remaining course elements.

Once the Attestation is completed, the first module under the **Sales and Marketing** section will activate and allow you to proceed with completing the Certification or Recertification course.

Troubleshooting: If AHIP is already completed, but score is not transferring

If you have successfully completed AHIP for the current plan year by passing the exam within six test attempts but the score is not transferring, you will **NOT** be required to retake the AHIP Training. The MarketPoint Training Team will be able to manually transfer over your score once we receive proof of your completion. To provide Proof of Completion if the score is not transferring, you will simply need to login on the AHIP site, navigate to your Transcripts page and capture an image showing your **Name** and **Final Exam** score on the same page (see example below) and send it to

MarketPointTraining@humana.com.

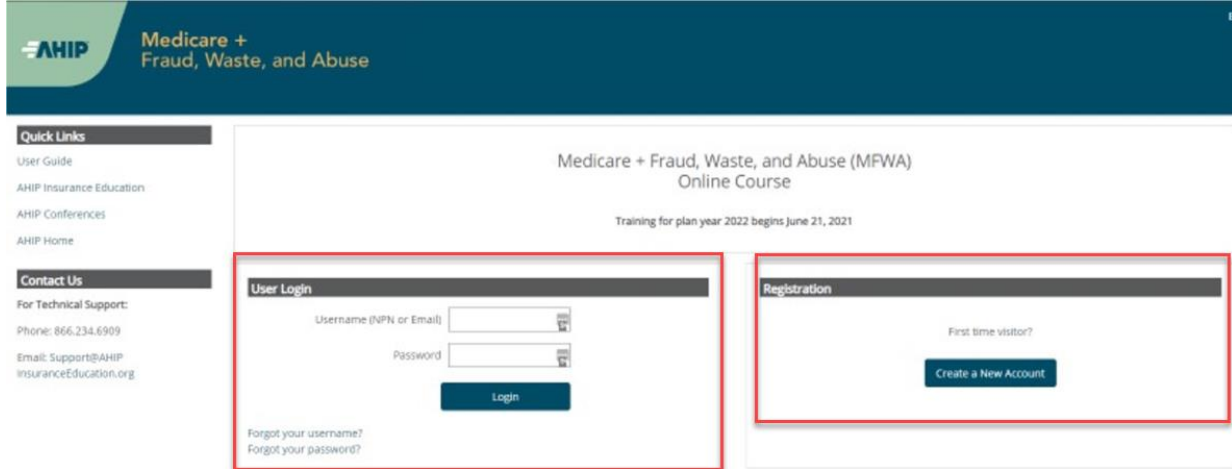

Please allow one business day for the MarketPoint Training Team to transfer the score.

Accessing AHIP and Transferring AHIP Scores

If AHIP has not yet been completed, you will be redirected to the AHIP website.

- *Already have an AHIP account?* Login using your NPN and AHIP account password.
- *New to AHIP?* Please register by clicking the **Create a New Account** button.

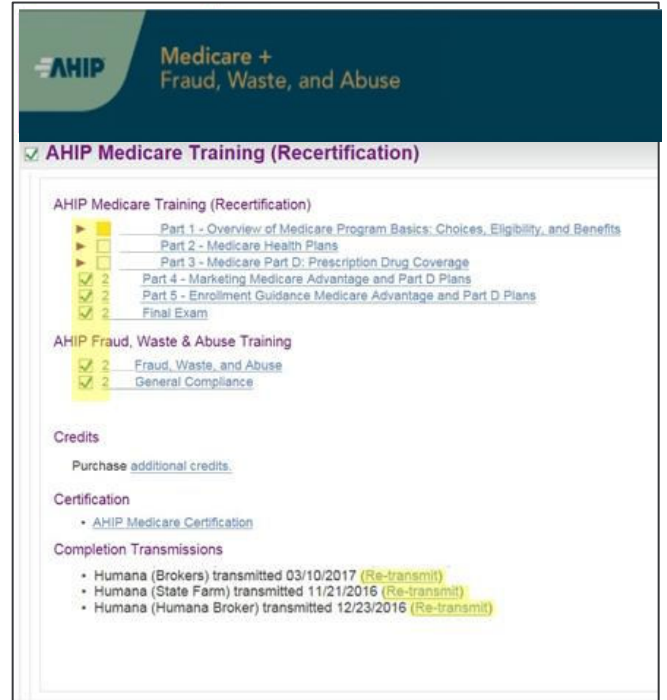

Enroll in the Medicare training.

If you have not yet started AHIP, you may be prompted to pay \$125 (discounted rate for contracted Humana agents).

NOTE: Career Agents employed by Humana and certain other non-career agents will not see the same e-commerce site.

Once you have completed AHIP, you will see a list of your completed AHIP coursework and Final Exam with a GREEN checkmark next to it. Below that, you will see a TRANSMIT (or Re-Transmit) link next to "HUMANA". Click it!

Click the Return button on the lower left corner of the browser window to return to your course.

Accessing AHIP and Transferring AHIP Scores

Once your score is received, you will proceed with completing the remaining Humana Certification or Recertification coursework! Please be sure all the content in the course outline is completed to ensure your Certifications are processed.

If your score did not transfer, simply click the AHIP link again for HMU to check for your score and pull it over.

WINNING TIPS:

- AHIP's passing score is **90%**, which Humana requires agents to achieve within 6 attempts. If AHIP was completed beyond the allotted 6 attempts, the score will not transfer. Agents will be notified of Humana's policy and will be shown their six allotted test attempt scores.
- The initial test registration will allow 3 test attempts. If an additional 3 attempts are needed, a second registration purchase is required **at the agent's expense**. With the purchase of the additional 3 attempts, you will be required to start the AHIP Medicare Training course over.
- If you have been logged into the Humana MarketPoint University for a long time, it may time out. Click the AHIP link again from the course outline and HMU will pull your AHIP score into the course. If you are not able to transfer your score after following these steps, or need any other assistance, please contact **Humana Agent Support at 1-800-309-3163**.
