Learn more about the [Devoted Health Difference](#).

Important Things to Know

- You must hold an active health insurance license, be contracted, get certified, and be appointed before you can market Devoted benefits.
- If you have completed the Core Medicare training, we accept AHIP, Pinpoint or NABIP (formerly NAHU) certificates. If not, you can now complete the AHIP training by using the [link](#) in our onboarding workflow and get a \$50 discount at checkout.
- The Devoted Health Agent Certification & Exam informs you on how to compliantly market Devoted Health benefits and satisfy the annual CMS Medicare Compliance Program requirements.
- To receive renewals for business sold in prior years, you must be licensed and appointed to sell Medicare products per state laws and recertified annually.
- Completing the PY2027 Certification will also allow you to market PY2026 benefits in our current service areas.
- A face-to-face certification is not required.

Our PY2027 Onboarding & Certification available in our Agent Portal. Our goal is to keep our onboarding experience easy and allow agents to complete the process in a few simple steps.

Onboarding and certification steps:

- Account creation for our Agent Portal
- W-9 & Direct Deposit (*Direct Payees only*)
- Preferred Markets (selections here will determine your state appointment(s))
- Selling Needs
- Code of Conduct
- Agent Agreement
- Background Check

- Medicare Core Training or equivalency upload (AHIP, Pinpoint or NABIP (formerly NAHU))
 - CMS Fraud, Waste & Abuse & Compliance Training
- Devoted PY2027 Certification Training & Assessment
 - Agents have 3 attempts to pass the training exam with a minimum score of 85% (If unable to pass within 3 attempts, agent will need to recertify for PY2027)
 - Each time the exam is opened (initiated) it will count as an attempt, therefore, it must be completed in one sitting (~40 min).
- License Check
- Appointment

If these steps can't be completed all at once, your progress will be saved and you can continue from the dashboard at a later time.

Agents cannot market or sell Devoted Health benefits until they receive the “ready to sell”(RTS) email.
