

Secure Sign-On: Quick Start Guide

More security. Same easy access. Here's how it works.

1. Enter your NPN and Password to log into IntegrityCONNECT, just like usual. Then, you'll see the **Secure Your Account** window. Enter the phone number associated with your account and click **Continue**.
2. Choose Email or SMS for your verification code, then enter the email address or phone number you'd like the verification code sent to.
3. Once you receive your verification code, enter it on the **Verify Your Identity** screen:

A screenshot of the 'Verify Your Identity' screen for SMS verification. It shows a text message example: 'XXXXXXXX1582'. Below it is a text input field labeled 'Enter the 6-digit code*'.

Verify Your Identity
We've sent a text message to:

XXXXXXXX1582

Enter the 6-digit code*

A screenshot of the 'Verify Your Identity' screen for email verification. It shows an email example: 'bill*****@inte*****'. Below it is a text input field labeled 'Enter the code*'.

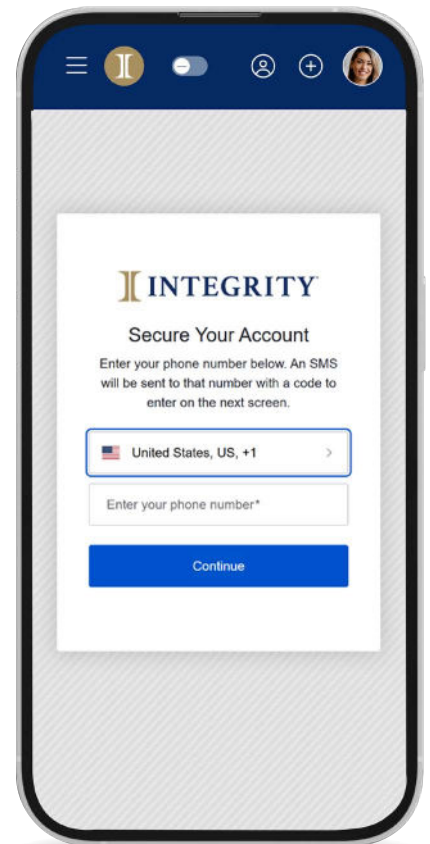

Verify Your Identity
We've sent an email with your code to

bill*****@inte*****

Enter the code*

NOTE: Check **Remember this Device** to stay signed in for up to 30 days.

4. You're done!
